EMBROIDERED CLUB INFO

2nd Saturday, 10:30-12:30

January—In the Hoop Stuffed Flash Stick Fob

Make a stuffed toy fob for your favorite memory stick or key chain and do it all in the hoop.

February—Working on Knit

Fun ear muff for freezing weather with sweater knits and stretch fabrics.

March—Pucker free stitching of sateen & silks

Make a beautiful door pull as you learn how to get beautiful results on temperamental fabrics.

April—Make MANY items at once

Duplicate and stitch multiple repetitions in a single hooping as you create wine glass charms. Then embellish with crystals to make each unique.

May—Sizing and Spacing

Type it, size it and make it fit as you sew a label.

June—Aligning and Centering

Work on centering & aligning as you sew a recipe on a towel.

July—3D Elements

Add a dragonfly, with 3D wings, to your picnic food tray cover.

August—Working on Heavy fabrics

Create a scissor case from burlap.

September—Make a patch

Create a stand alone patch, add adhesive and see how well you can add embroidery WITHOUT sewing right on your project.

October—Fun with Mylar

Add dazzle to your jack-o-lantern with Mylar.

November—Ready, Set, LIGHTS

Specially created designs made for adding real lights to the finished product.

December—Quilting in the hoop

QUILTING CLUB

2nd Saturday, 9:15am-10am

Making It With Rectangles

Rectangle pieced blocks

This years club is all about working with rectangles. Moving away from the square opens up so many possibilities and the effect on the finished block is stunning.

Don't let the look fool you, once you get comfortable with the shapes, you'll find the blocks no more difficult to make than those you are used to.

12 Month program

2nd Saturday at 9:15

Starts March 2014
